### LEADING LADY

Manalapan entrepreneur Michelle Wolpov, physical therapist and founder of Game Shape Physical Therapy and Fitness Center, has been recognized by her employees and community with an Athena Award nomination. The award, given by the Greater Monmouth Chamber of Commerce, recognizes an individual for business or professional accomplishments, community service, and for providing a role model to encourage women to achieve their full leadership potential. The nomination, which ushers in Wolpov's 10-year business anniversary, "is like the icing on the cake. It has been quite an honor to be recognized as a leader in the community. I am certainly proud of these achievements and hope to share knowledge and inspire other women to achieve their own greatness."
